Whitening Cream

Beyazlařtırıcı İnci Krem

50 ml

Q9 Series / PP-BOX Technology With Skin Tone Lightening Whitening Pearl Cream, you can whiten the sensitive area, armpit area, face area and darkened areas of the whole body.

Unlike ordinary creams, with İnci Cream, you can remove dark spots and achieve a radiant and bright skin thanks to its active ingredients against darkening.

You can provide a homogeneous and bright appearance on the skin, while helping to whiten the darkening of the skin and regional darkening caused by external threats such as sun rays, environmental pollution, cigarettes, and stress caused by environmental factors.

İnci Cream, which shows its effect as soon as it is applied for the first time, is a product recommended by physicians, dermatologists, skin and beauty experts.

Purifying Face Make-Up Remover Gel

Arındırıcı Yüz Ve Makyaj Temizleme Jeli

200 ml

CC7 Series - PP-BOX Technology With Cucurbituric Face and Makeup Remover Gel 200 ML, you can clean the free radicals and make-up on your skin, allowing you to breathe and have a clean skin.

It is imperative that the make-up you carry on your face all day long must be cleaned at the end of the day. As a matter of fact, in terms of the health of your skin, make-up removal procedures done before going to bed at night ensure that you both have a youthful appearance and stay away from troubles such as blackheads.

CC7 Series - PP-BOX Technology Thanks to Cucurbituric Face and Makeup Remover Gel, you can provide a lasting freshness to your skin for many years. As a matter of fact, CC7 Series - PP-BOX Technology Cucurbituric Face and Makeup Remover Gel will allow your face to breathe comfortably, thanks to the minerals it contains.

Provide Refreshment to Your Skin

Acvit Face and Makeup Remover product, which helps you to quickly get rid of the tiredness of the heavy day while you have a whiter and more lively face, is a product preferred by many women in terms of both naturalness and health.

Special Granulated ... Dermo Peeling

Özel Granüllü Dermo Peeling

150 ml ...

With Special Granulated Dermo Peeling, it helps to remove the dead skin layer on the skin, reveal the living layer and revitalize the skin.

Thus, your moisturizer that you apply to your skin can be absorbed better and provide an effective result in a shorter time. With this application, you can get rid of black spots on your skin, and your skin can get a brighter and smoother appearance. With the peeling application, wrinkles, skin dryness, enlarged pores, skin fatigue and crack formation can be prevented.

You can make your skin even more beautiful with Acvit Dermo Peeling and make it look silky. It has content enriched with special Dermo particles and herbal extracts...

Regenerating Moisturizing Care Cream

Yenileyici ve Nemlendirici Bakım Kremi

100 ml

With Q3 Series -QPPOL Technology Renewing and Moisturizing Care Cream, you can renew your worn hands and skin and achieve a more lively, more energetic appearance. You can have silky skin.

Our hands are getting irritated and aging due to using 80 degrees cologne during the pandemic period. 1 year later, the biggest disease of our age will be eczema. To avoid eczema, you should apply this cream to your hands every night before going to bed. It will renew the worn hands until the evening and make them look silky.

During the days you spend with many details such as busy work schedule, livelihood and housework, your skin will inevitably have an undesirable appearance. In order to give your skin a bright appearance; Regenerating Cream can be an ideal choice. As a matter of fact, thanks to the natural minerals and special formula it contains, Acvit Skin Renewal Cream, which provides your skin with a bright appearance, offers you a fresh-looking, smooth skin.

Regenerating Moisturizing Care Cream

Yenileyici ve Nemlendirici Bakım Kremi

100 ml

Mode of Effect:
